Dear [school, teacher, principle],

Thank you for participating in 2022 Tennessee Agriculture Literacy Week. We appreciate you opening your doors for us to spread the facts about agriculture.

Tennessee Agriculture Literacy Week volunteers have educated more than 50,000 students over the past 6 years across the state of Tennessee. We are happy to continue our program to reach even more youth. Without your support, we would not be able to take agriculture beyond our fields and farms. We enjoy telling others about our industry and our passion for growing nutritious products.

Please complete the **Teacher Post Survey** found at www.tinyurl.com/tnagteach by **December 31st** for a chance to **WIN a \$50 Wal- Mart Gift Card**. For more agriculture education materials please visit www.tennesseeag.org. Save the date for 2023 Tennessee Agriculture Literacy Week- November 12th-18th.

Best Regards,

2022 Tennessee Agriculture Literacy Week: November 12th-18th
